

Popcorn Sale at Walgreens

Contributed by Chris Davis
Friday, 02 October 2009

Scouts, We have another opportunity to for a Show and Sell at Walgreen Drug Store on Saturday. So after we finish picking up the litter at Sunset Park, we can get a bite to eat and then sell some Popcorn. I have set up a time with the Manager on duty for 2:00 PM through 6:00 PM. As this is a long time for some of you Scouts, we can work in two shifts. I do need to know who will be interested and when they plan to work. This is a uniformed event because you would be surprised how much popcorn that uniform sells for you. Akelas, This is an excellent opportunity for your son's to learn by watching their fellow Pack members "work the crowd"; The first time I did an event with my children, I made the first few sales and had them watch. By the end of the evening, they were delighting everybody who came by. Phil Broomell
